

and try not to dwell on  
your own loneliness.

To be a good wingperson  
for someone

you need to fit beside them...

but don't outshine them.

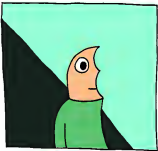

# HOW to LOVE

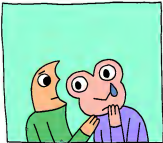

ragdoll93 asks:

How to be a good  
wingman/woman  
to a friend who has  
a crush on someone?

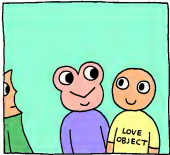

just slip back into the  
shadows...

Be there if it doesn't go  
go well

but if it does go well...

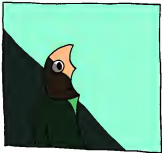

It helps if you look cool

So they look like they have  
cool friends...

knowing you've helped a  
friend

So you want to be a good  
wing ~~man~~ ~~woman~~ person?

and make them look good.
